## Job Description

### Research Assistant (Honorary)

### (Professor Sun Waizhu Academic Inheritance Programme)

## Description

It is the mission of the School of Chinese Medicine, the CUHK to nurture high-calibre Chinese medicine practitioners and to promote Chinese medicine development. The school encourages the inheritance of Chinese medicine experts' valuable experiences and has been setting up a series of work stations of different specialized areas over the years.

As Prof. Sun is the Traditional Chinese medicine expert of Guangdong, the People's Republic of China and the Honorary Visiting Professor of the School of Chinese Medicine, the CUHK, the School will set up an academic inheritance programme for Acupuncture and led by Prof Sun. The school now would like to recruit apprentices for this programme.
